Does anyone know what love can cost
To take you so high, then leave you lost?
Is it a mystery that runs too deep
For such a simple heart?

Can anyone stop the hands of time
And put back the loving in your eyes?
Though it's his name I hear, when you are sleeping
I'll pretend it's mine

When they ask me how long I'm gonna love you
If the road to my heart will always stay true
I'll say, "Forever", yeah, I'll say, "Forever for you"

When they ask will I stand right there beside you
And they don't see you and me the way that I do
I'll say, "Forever", I'll say, "Forever for you"

Do ask forever, "Do I love you?"
Do ask forever

A rose is a rose by any name
But a thorn will still cut you just the same
I'm losing your love, I know, so sad the feeling
I can tell, somebody's stealin', stealin' away your heart

When they ask me how long I'm gonna love you
If the road to my heart will always stay true
I'll say, "Forever", I'll say, "Forever for you"

When they ask will I stand right there beside you
And they don't see you and me the way that I do
I'll say, "Forever", I'll say, "Forever for you"

I don't know if I should tell you
How you live in my heart
There's no room for another
If you leave me now, my heart would not recover

Do ask forever, "Do I love you?"
Do ask forever, forever for you

When they ask me how long I'm gonna love you
If the road to my heart will always stay true
I'll say, "Forever", I'll say, "Forever for you"

When they ask will I stand right there beside you
And they don't see you and me the way that I do
I'll say, "Forever", I'll say, "Forever for you"

Do ask forever, "Do I love you?"
Do ask forever

Do ask forever, "Do I love you?"
Do ask forever, forever love you

Darling forever, forever
Forever
