People always called me a fool

Because I never treated you cruel

I treated you good and you still walked away

But my stubbornness still makes me say...keep sayin'

Girl I love ya'....girl I need ya' (by my side)

Girl I want you ( I've been true to you)..but I'm still lonely  
and blue

(do doop do do).....

At first I thought she was, and now that you see...now I  
know she took advantage of me...without you, sadness  
wells up inside...and makes a shambles of my foolish  
pride....keep sayin'

Girl I love you...girl I need you...girl I love you...(i've  
been true to you)

But I'm still lonely and blue....(do doop do do) ohh oh  
baby...ah baby..oooh baby...

Other people think that our love is wrong...i have found  
the strength to carry on...yes I am serious...., though  
she might be playin.'...

She'll come back if I just keep on sayin'.....keep on  
sayin...i keep sayin...keep on sayin...i keep sayin'....keep  
on sayin' ..... I keep say---in.

Girl I love you...girl I need you ...girl I want you....can't  
you see that I love you can't you see that I need  
you...baby baby baby .....ain't too proud to beg baby

Can't you see that I love you.....
