There's no decision
You look my way
I know that expression
And I know what it says

It would be so easy
The light is right
We forget in the moment
Who we are tonight

My body's singing
And the music's strong
No conscience speaking
Ain't nothing wrong

So give it up
That's the way it starts
You got to know
The old habits die hard

Give it up
Remember what I said
That kind of love
Used to happen every day

And temptation makes a fool
Out of us all

I made my mind up
It had to end
But I've got this indecision
When you're close again

I want you so bad, baby
I can't deny
And those old fantasies
Are stealing back across my mind

I thought by now
That the flame had gone
But I realized that
It's still burning on

So give it up
That's the way it starts
You've got to know
The old habits die hard

Give it up
Remember what I said
That kind of lovin'
Used to happen every day

And temptation makes a fool
Out of us all
You know it's [Incomprehensible]

Give it up
That's the way it starts
How well I know
The old habits die hard

Give it up
Remember what I said
That kind of love
Used to happen every day

Temptation make a fool
Out of us all

Gotta give it up
Give it up and throw it away
Hey, hey, old habits die hard
Yeah baby, old habits die hard

Gotta give it up, throw it away
Hey, hey, hey, hey, hey
