Tin can sound and a dead-eyed crowd  
Can turn a sane man crazy and a crazy man sad  
I can fight with the best  
But I can only go so many round

And that's grounds for separation  
Preparation for better things  
Gonna grow a new set of wings  
And fly away

Robot action, conditioned response  
Manufacture feeling like the Tool and Die  
I can turn it on  
But I'm holding back the guarantee

And that's grounds for separation  
Preparation for better things  
Gonna grow a new set of wings  
And fly away

Music, it's my life and I've got it in me  
But isn't it a bit like oxygen  
'Cause too much will make you high  
But not enough will make you die

Isn't it a bit like oxygen  
'Cause too much will make you high  
But not enough will make you die  
Make you die  
So I gotta keep it under control

And that's grounds for separation  
Preparation for better things  
Gonna grow a new set of wings  
And fly away

I want to fly  
Gonna fly away  
I'm gonna fly away  
Gonna fly  
I'm gonna fly away

I'm gonna fly fly away  
Fly away  
I'm gonna fly  
Fly away  
Fly away  
I'm gonna fly away
