When I met you I should've been warned
Ooh, I could see you change from day to day
But you kept me guessing, playing for fun
What'll you do, ooh, what would you say?

Strange moods and jealous anger
A kind of passion that I can't explain
You're high strung that's attraction
But your act is driving me away

(Guessing games)
I don't wanna play those guessing games
(Don't wanna)
Please don't make me play 'em, no

(Guessing games)
Oh, I don't wanna play those
(Guessing games)

You've gotta give me something to hold
That cute routine you got is very thin
So baby, can you do it for yourself and for me?
I don't wanna lose you, I want us to win

Strange moods and jealous anger
That kind of passion that you can't explain
You're high strung that's a fact
But don't you let it drive me away

(Guessing games)
'Cause I don't wanna play those guessing games
(Don't wanna)
Please don't make me play 'em, no
(Guessing games)
I don't wanna play no games

(Guessing games)
'Cause I don't wanna play those guessing games
(Don't wanna)
Please don't make me play 'em, no

(Guessing games)

Oh, I don't wanna play those
(Guessing games)
I don't wanna, I don't wanna

(Guessing games)
I don't wanna play those guessing games
(Don't wanna)
Please don't make me do it, no

(Guessing games)
Guessing games, guessing games, yeah
(Guessing games)
Please don't make me, please don't make me

(Guessing games)
You can find another friend
(Don't wanna)
Don't want to play it again

(Guessing games)
Don't wanna, I don't wanna play those
(Guessing games)
No, no, please don't make me
(Guessing games)
