I wanna know what you dream, oh baby

Am I one with your fantasy

I wanna show you my deepest feelings

Ain't that how love's supposed to be

Give me love hold on to me

Give me love hold on to me

Give me dreams hold on

...oh baby, give it up

Give me heart hold on to me

Give me soul hold on to me

Give me your smile hold on

...oh baby, give it all

I had enough of bad luck, oh baby,

All those nights that I can't replace

But none of the love in my past can claim me

Others go but you don't fade away

Give me love hold on to me

Give me love hold on to me

Give me dreams hold on

...oh baby, give it up

Give me heart hold on to me

Give me soul hold on to me
Give me your life hold on
...oh baby, give it all
I know in my heart it's real
Know this is love I feel
If something ain't right just say so baby
Don't let go...don't stay away...stay with me
Give me love hold on to me
Give me hope hold on to me
Give me dreams hold on
...oh baby, give it up
Give me heart hold on to me
Give me soul hold on to me
Give me your smile hold on
...oh baby, give it all
