You push my buttons hard
and don't even realize what
you're doing is killing my soul
Do you think I'm just some prize
you can win and then discard
after the thrill is gone?
Well listen then

(chorus)
I ain't gonna take it this time, oh no
I ain't gonna take that from anyone
I ain't gonna take it this time
Guess I'm gonna break out

You know I try to please you
I lay awake at night
trying to find the
words you'll understand
But when I'm nothing but sincere
I know you can't be hearing
cause you say it's more of the same
That's right, check it out
(chorus)

Guess I'm gonna break out, yeah
I guess I'm gonna break out
alright, come on

Try so hard
I tried so hard

Do you think I'd ever try to fool you?
There's enough lies in the world
you don't need mine
If I can't win your heart and move you
you must be blind

(I ain't gonna take it this time)
I was a fool when I left
(I ain't gonna take it this time)
You're gonna push my buttons so hard
(I ain't gonna take it this time)

(oh no not this time)

(I ain't gonna take it this time)

(oh no not this time)

(repeat to fade)
