(Words by Daryl Hall & John Oates  
Music by Daryl Hall)

You and I have separate lives girl  
You and I go different ways on roads that cross  
When love and loss is ruled by fate  
People have a tragic habit  
Of letting love get in the way  
They tend to lose their overviews and overplay

Something I wanna say  
Something I've got to do  
Feels like you're drifting away  
And I don't wanna lose you

I'll try to find a way to encourage you

It's easy to convince myself  
Cause I can't believe you'd wanna be with somebody  
else  
People have a tragic habit  
Of letting love get in the way  
They tend to lose their overviews and overplay

Something I wanna say  
Something I've got to do  
Feels like you're drifting away  
And I don't wanna lose you
