You and I have separate lives girl
You and I go different ways on roads that cross
When love and loss is ruled by fate
People have a tragic habit
Of letting love get in the way
They tend to lose their overviews and overplay

Something I wanna say
Something Ive got to do
Feels like youre drifting away
And I dont wanna lose you

Ill try to find a way to encourage you
Its easy to convince myself
Cause I cant believe youd wanna be with somebody
else
People have a tragic habit
Of letting love get in the way
They tend to lose their overviews and overplay

Something I wanna say
Something Ive got to do
Feels like youre drifting away
And I dont wanna lose you
