The first time I looked at you
Well I knew it was love from the start
But my loving eyes couldn't see when I gave you my
heart

(I need your love)
I love the way you hold me
(I need your love)
I love the way you squeeze me
(I need your love)
I need you everyday

(Baby)
I couldn't believe you when you said
You were going away
(Baby)
You wrap me with only the thing
To show for the love that we made

(I need your love)
I need the way you hold me
(I need your love)
Show me what love can be
(I need your love)
Now that you're gonna stay
I lost the feeling
Of after I hide

(I need your love)
You mean the world to me
(I need your love)
Show me what love can be
(I need your love)
Now that you're gonna stay
I lost the feeling
Of after I hide
