This is our fork in the road
Love's last episode
There's nowhere to go, oh no
You made your choice
And now it's up to me to bow out gracefully
You know you hold the key, but baby
Whenever you call me, I'll be there
Whenever you want me, I'll be there
Whenever you need me, I'll be there
I'll be around
Oh I, oh I knew just what to say
Now I found out today
That all the words had slipped away, but I know
There's always a chance a tiny spark remains, yeah
And sparks turn into flames
And love can burn once again, show that you know it
Whenever you call me, I'll be there
Whenever you want me, I'll be there
Whenever you need me, I'll be there
I'll be around, be around, oh yeah
Whenever you call me, I'll be there
Whenever you want me, I'll be there
Whenever you need me, I'll be there
I'll be around
Whenever you call me, whenever you call me
Whenever you want me, whenever you want me
Whenever you need me, whenever you need me
I say I'll be around, be around and around
Whenever you call me, oh gonna love you
Whenever you want me, oh I'm going too far from you
Whenever you need me, whenever you need me
I'll be around
Whenever you call me
Whenever you want me
Whenever you want me like I'm gonna give
Whenever you need me, oh don't think I don't need you
I'll be around
