Oh, let's make it groove
Takin' it nice and smooth

Turn out the light, I can see your face
It's you and I, in the time and place
The radio playin' Teddy's groove
The city nights, nothin' love couldn't do

Oh baby, it's been too long
I need to feel the same thing
Oh that made that time our own

Oh, let's make it groove
Takin' it nice and smooth
I'm in a Philly mood
Oh, baby come down
I wanna hold you now
I'm in a Philly mood

Lay down your love, I can feel your soul
When night is gone let our hearts carry on
As sure as you are of the love we made
I know sometimes, we've been so out of place

Oh, lately, lately
Girl it seems that we've come home
To the place that made that time our own

Oh, let's make it groove
Takin' it nice and smooth
I'm in a Philly mood
Oh, baby come down
I wanna hold you now
I'm in a Philly mood

Oh, let's make it groove
Makin' it twice as smooth
I'm in a Philly mood
Oh, baby come on
I wanna touch you now
I'm in a Philly mood

Oh lately
Girl it seems that we've come home
To that place, that place, that place
That made that time our own

Oh, let's make it groove
Takin' it nice and smooth
I'm in a Philly mood
Oh, baby come down
I wanna hold you now
I'm in a Philly mood

Oh, let's make it groove
Makin' it twice as smooth
I'm in a Philly mood
Oh, baby come on
I wanna touch you now
I'm in a Philly mood
Oh, let's make it groove
Takin' it nice and smooth
