Little girl, what's your name?
Now, don't you go lookin' at me like that
You might see I'm ashamed, what's your name?
Just talk with me, won't you talk to me?

Will you survive, learn to drive? I know you can't
describe
The dreams you want to be, either stay or get away
I'm not playin' around, can't you tell the way I'm
squeezin'
Your hand, I'm just a kid, don't make me feel like a
man

Pretty girl, now ain't too hip fakin' lines you ain't takin'
but your lips
Make me say it that way, now, there's no use you
resistin'
This is the cradle thief insistin', I think you better let me
have it my way
Fool around with me, come on mess around with me

Will you survive, learn to drive? I know you can't
describe
The dreams you want to be, either stay or get away
I'm not playin' around, can't you tell the way I'm
squeezin'
Your hand, I'm just a kid, don't make me feel like a
man

Silly girl, I'm just playin'

Now, did you think that I'd be nuts enough to try to pick
you up
Don't you know it's a game, it's all a game I've been
playin'
What'd, what'd you say your name was? Walk with me
Now, just around the corner baby, maybe you could
even
Try to talk to me, damn you talk to me, damn you talk
to me

Will you survive, learn to drive? I know you can't

describe

The dreams you want to be, either stay, get away

I'm not playin' around, can't you tell the way I'm

squeezin'

Your hand, I'm just a kid, don't make me feel like a

man

I'm just a kid, don't make me feel like a man, I'm not a

man

I'm just a kid, don't make me feel like a man, I'm just a

kid

I'm not a man
