Is it a star or is it me?
You say you believe in
And of nights when my stage smiles not so wild
Ain't coming easy

Can't you see it's me?
All broken down inside
Can't you see it's me?
All broken down inside

Can't you see it's me?
All broken down inside
Can't you see it's me?
Honey, you've been dreaming

Say they meet you on the streets
And say they've had a crush on you
For a year or two and maybe it's three

Then they say, "Hi, how you doing"
Is it really me or you?
You say you believe in
Baby, you've been dreaming

Can't you see it's me?
All broken down inside
Can't you see it's me?
All broken down inside

Can't you see it's me?
All broken down inside
Can't you see it's me?
Baby, you've been dreaming

Can't you see it's me?
Can't you see it's me?
You see it's me

Is it a star or is it me?
You say you believe in
And all of nights when my stage smile lasts awhile
Coming easy

Can't you see it's me?
All broken down inside
Can't you see it's me?
All broken down inside

Can't you see it's me?
All broken down inside
Can't you see it's me?

Can't you see it's me?
All broken down inside
Can't you see it's me?
All broken down inside

Can't you see it's me?
All broken down inside
Can't you see it's me?

Baby, you've been dreaming
Baby, you've been dreaming
Is it a star?

Baby, you've been dreaming
Baby, you've been dreaming
Is it a star?

Baby, you've been dreaming
Baby, you've been dreaming
Is it a star?

Baby, you've been dreaming
Baby, you've been dreaming
Is it a star?
