I've been used to seeing the world with the eyes of two  
Now you're gone, no more window shopping with you,  
with you, oh  
Guess I'll spend another day walking around, mmm,  
ohh  
But don't think that I'm sorry, babe, don't you think that  
I'm down  
I ain't down, I ain't down

You know it doesn't matter  
Yes, it doesn't matter anymore  
And that's what I'm here to tell you  
You know it doesn't matter  
Yes, it doesn't matter anymore

I've been used, you might say that I've been misused,  
mmm  
But I'm not gonna feel bad for myself  
Even though I've been bruised, so bruised, oh  
Guess I'll spend another day walking around, mmm,  
ohh  
Don't think that I'm sorry, babe, don't you think that I'm  
down  
I ain't down, I ain't down

You know it doesn't matter  
Yes, it doesn't matter anymore  
And that's what I'm here to tell you  
You know it doesn't matter  
Yes, it doesn't matter anymore, ooh

Ooh, I guess I'll spend another day walking around,  
mmm, ohh  
Don't think that I'm sorry, babe, don't you think that I'm  
down  
I ain't down, I ain't down, I ain't down, I ain't down

You know it doesn't matter  
Yes, it doesn't matter anymore  
And that's what I'm here to tell you  
You know it doesn't matter  
Yes, it doesn't matter anymore

And that's what I'm here to tell you  
You know it doesn't matter  
Yes, it doesn't matter anymore  
Just doesn't mean a thing  
You know it doesn't matter  
Yes, it doesn't matter anymore
