Music and lyrics: oates

I see I see I see all the monumental ruinization
I see I see I see the greatest works of art in western
civilization

Ooh but where are
Tell me where are
Ooh but where are the italian girls?

I drink I drink I drink too much vino rosso no more
amarone
I eat I eat I eat so much pasta basta Im so full and yet
so lonely

Ooh but where are
Tell me where are
Ooh but where are the italian girls?

I see sophia on the silver screena
There must be more like her in roma
I believe I believe I believe in la donna italiana
belissima
I need, I need, I need some little dream come true
please tell me where
Theyre keeping ya
Faccia bella cara mia
Somebody tell me where are the italian girls
