Baby's gone

Said she's movin' on

Telling me

I ain't comin' along

I thought you said you were satisfied

You've given up on everything we tried for, why?

How can you justify sacrificing our love

Justify

Sacrificing our love

Smoking gun

Hoid it in your hand

You can't deny

I'm the victim of your plan

Innocence with a guilty side

I don't understand

Tell me why oh why

How can you justify sacrificing our love

Justify

Sacrificing our love

Lonely hearts finally find a home

Then they part

Like everybody does

Guess the love meant more to me

Go your way

But I can't see... why

How can you justify sacrificing our love

Justify

Sacrificing our love
