J. Oates

All right now, now listen

Little girl walkin' down the street

She gotta subway smile & a heart in heat

Say I'll work it for you daddy

(Work it for you daddy)

Work it for you daddy

All nite

Leather boy makes the metal scene

He wanna party with the band

Have the hot chicks scream

Man it's a video dream

Watch the Preacher Man work the T.V. screen

He'll take your money, love and promise everything

Ain't no shortcut to Salvation

(Every man, woman, every boy & girl)

(Let your love lite shine)

(Make a better world believe it)

(People when you feel it)

(Keep on Pushin' Love)

Oh you got to keep on pushin'

('Cause your heart can't deny)

You can't deny it, no no no no no

Keep on Pushin' Love

(Every man, woman, every boy & girl)

(Let your love lite shine)

(Make a better world)

Oh, you know its true

(That its right on time to keep on pushin')

See the homeless man on a frozen stoop

He gets the walk-on-by from the business suit

See it happening every day, it don't have to be that way

Got a bomb for me and two for you

I'll blow your scene baby

Then you can blow mine too

(Every man, woman, every boy & girl)

(Let your love lite shine)

(Make a better world believe it)

(People when you feel it)

(Keep on Pushin' Love)

Oh, you got to keep on pushin'

('Cause your heart can't deny)  
Can't deny it no no no  
(Keep on Pushin' Love)  
(Every man, woman, every boy & girl)  
(Let your love lite shine)  
(Make a better world)  
Baby you know its true  
(That's its right on time to keep on pushin')  
Keep on pushin' Love  
You can't deny it yeah  
Oh, let your love, love lite shine  
(Every man, woman, every boy & girl)  
(Let your love lite shine)  
(Make a better world believe it)  
(People when you feel it, feel it feel it feel it)  
(Keep on pushin' love)  
Try to think with your heart  
(Ooh, 'cause your heart can't deny it)  
That's where it starts  
(Keep on pushin' love)  
(Every man, woman, every boy & girl)  
Let your love lite shine  
(Keep on pushin' love)  
Got to go for a thrill  
(Cause your heart can't deny it)  
You gotta show what's real  
Keep on pushin' love  
(Every man, woman, every boy & girl)  
(Let your love lite shine)  
(Make a better world)  
You got to keep on keeping, keep on teaching  
(Keep on teaching love)  
Let your love lite shine  
Its yours and mine  
Ooh (ooh)  
oh yeah (oh yeah)  
Every man every woman  
Each and every boy & girl  
Let your love lite shine  
Its gotta be a better world sometime
