It's a long dark day

When we realize and understand

That we've come so far

Destiny lies close to home

I will do what I can

To keep my spirit safe and strong

If I fall on the way

Nothing ventured, nothing gained

Chorus

Love is fire

Hate is stone

We desire

What we can't hold (oh no)

When there's anger

(outa) outa control

Hate is fire

Love is stone

Time deals it's hand

How can we live in tenderness?

When the world seems so cold

To those who choose to take a stand!

Ooo, if I refuse to walk the line (walk the line)

Or see my dreams through someone's eyes

(you know that) i'ii take that chance

Ã,ÂiÃ,Â®cause nothing ever stays the same

Love is fire

Hate is stone

We desire

Ooo, what we can't hold

When there's anger

(outa) outa control

Hate is fire, ooo

Love is stone

Love is fire

Hate is stone

We desire

What we cannot hold

When there's anger

(outa) outa control yeh

Hate is fire

Love, love is stone

(you know that) love is fire

(I need to know you'ii see me through)

Hate is stone

(doesn't matter what we choose to do)

We desire,

Ooo, what we can't hold

When there's anger

Runnin' out of control

Hate is fire

Love, now iove is stone

Love is fire

Hate is stone

We desire

What we cannot seem to hold

When there's anger

It's runnin', runnin' out of control

Hate is fire

Love is stone
