I like this room, it's got me  
Dancin' down and dirty on my knees  
Get lit up, tell those lies  
Wicked enough to melt your ice

I can see baby, touch on me  
I can see most any possibility  
Got to do it, got to use all my love  
Too much is never enough

You've got to sing out, you've got to sing out  
You've got to sing out, sing out, sing out

Love out loud, tell me what you wanna do  
(Love out loud)  
You've got to love out loud  
Don't look down, tell me what you wanna do  
(Love out loud)

Got no time, time to choose  
Wait a second, now you're gonna screw the mood  
Got to do it, got to use all your love  
Too much is never enough

You've got to sing out, you've got to sing out  
You've got to sing out, sing out, sing out

Love out loud, tell me what you wanna do  
(Love out loud)  
You've got to love out loud  
Don't lie down, tell me what you wanna do  
(Love out loud)

You've got to sing out, you've got to sing out  
You've got to sing out, sing out, sing out

Come on  
(Love out loud)  
Tell me what you wanna do  
(Love out loud)  
You've got to love out loud  
Don't lie down, tell me what you wanna do

(Love out loud)

I wanna love out, love out, baby

(Love out loud)

I wanna love out, love out, baby

(Love out loud)

I wanna love out, love out, baby

(Love out loud)

Hold you down, tell me, tell me

Tell me, tell me, tell me now baby

(Love out loud)

Hey come on

(Love out loud)

Hey baby, come on

(Love out loud)

Yes, you love out loud, don't look down

Tell me what you wanna do
