I've been quiet never spoke before about this
Takes a little time to say what I'm thinking
Let's run down the concept of
Love as we know it
I'm only happy when I'm flying
Then you catch me when I'm falling off

Freedom what I want
Freedom what I miss
I think about you
I realize, love revelation

Freedom what I want
Freedom what I choose
What about you?
I realize love revelation

And hey let's sit down and talk it over
'Coz I don't want a ride from paradise to pain
Ain't no way I could love you more
Still need that open door
It's so good when I'm flying
Will you catch me when I'm falling off?

Freedom what I want
Freedom what I miss
I think about you
I realize love revelation

Freedom what I want
Freedom what I choose
What about you?
I realize love revelation

Freedom what I want
Freedom what I do
What about you?
I realize love revelation

My life, shouldn't be hard to live
You know what my weakness is
Make me a little bit stronger

Ho, 'coz I can't do it without you
Though I'm happy when I'm flying
Baby, catch me when I'm falling off

Freedom what I want
Freedom what I miss
I think about you
I realize love revelation

Freedom what I want
Freedom what I choose
What about you?
I realize love revelation

Freedom what I want
Freedom what I miss
I think about you
I realize love revelation

Freedom what I want
Freedom what I do
What about you?
I realize love revelation

Freedom what I want
Freedom what I miss
I think about you
I realize love revelation

Freedom what I want
Freedom what I choose
What about you?
I realize love revelation

Love revelation
