If you had a dream, did it happen?
If you stop and think for a little while
Try to make up faces that once were real

Even though, it seemed like a lifetime
Wasn't really more than a short ride
But it left me memories that time can't steal

Oh, my marigold sky
Gold leaf reflection's on the ocean
Yeah, I was lost in the light
Like sand in a shell she'll hold me

We were tryin' to be so enlightened
Movin' on from Father, Son and Holy Ghost
Trippin' on the Passion and hooked on love

Was I ever yours? Were you ever mine?
Did we ever lose what we tried to find?
Wasn't all that passion, a dream enough?

Oh, my marigold sky
Gold sea reflection's on the ocean
Yeah, I was lost in your light
That time was so right, I realize, realize

When love is lost, it's all so real
Broken heart needs, oh so long to heal, oh no
Though, the magic happened some time ago
I know it's alive, it'll never grow cold
Marigold, marigold sky

If you had a dream did it happen?
If you stop and think for a little while
Can you bring back times that were once so real?

Oh, my marigold sky
Gold leaf, reflection's on the ocean
Yeah, I was lost in the light
Like sand in a shell

Oh, my marigold sky

Gold sea, reflection's on the ocean
Yeah, I was lost in your light
Like sand in a shell it holds me

Marigold sky, oh, marigold sky
I realize, oh, marigold sky
Like sand in a shell, just holding
Oh, marigold sky, oh, my marigold
My marigold, oh, marigold, oh, my marigold
