Heaven has sent you from above, baby

Love that I needed for so long baby

Never before did I feel this heart break

Thrill to you baby

Tho' I'm far away

Oh tell me why was my life

Never sweet as soul when soul cries

Can you open my eyes and let me know where love lies

Chorus:

Try to be close to me

Never let me go, girl

Tlc finally

Don't ever let me go

Let me hear you say so

I was a witness to disharmony

Somebody taking away another part of me

Tell me why was my life

Never sweet as soul when soul cries

Can you open my eyes

And let me know where love lies

Try to be close to me

Never let me go, girl

Tlc finally

Don't ever let me go

Let me hear you say so

Play it out, never doubt

Never let me go

Lt's all about reaching out

Never let me go
