Father Christmas
Mother Mary
Bless the Child
On this His day
Round the world
Are so many families
Not enough to keep
But still the faith to pray
Let the Holy star above
Shine a silver light of love
And turn this world around

(Chorus)

No child should ever cry on Christmas
No child should ever be afraid
No child should ever cry on Christmas Day

Come the morning
Toys and laughter
Yeah that's the way
It's supposed to be
Then all the mornings
Ever after
Bring us hope and joy and harmony
Let the Holy star above
Shine a silver light of love
And turn this world around

Repeat Chorus

Let the Holy star above
Shine a silver light of love
And turn this world around

Repeat Chorus
