So whadya want?

Is it dÃfÃ©jÃfÃ vu or have I been here before?

I don't know but

Everything about you is still the same

Everything about you is so alive

Too much time around, you start to kick my ass

Too much time away, I lose my lease

(new york love me) so good, so good

(new york love me) keep my head up

(ny love me) nyc, I see

(ny why me) am I ny?

Try to run away

Ya know it's no use

Tongue in cheek so I can't speak

Vibrations knock my screws loose

Everything about you is still the same

Everything about you is so alive

Too much time around, you start to kick my ass

Too much time away, I lose my lease

(new york love me) so good, so good

(new york love me) keep my head up

(ny love me) nyc, I see

(ny why me) am I ny?

Written in the air

Written on return

Nowhere bright as here nowhere else

Written in the air

Written on return

Stones and fever dreams nothing else...

Nyc see ya real soon

Try to run away

Ya know it's no use

Tongue in cheek so I can't speak

Vibrations knock my screws loose

Well it ain't love

It ain't art

It's pressure

Pain in the heart that moves me

Nyc

That grooves me

Nyc

You move me

Nyc you lose me

Nyc

Everything about you is still the same

Everything about you is so alive

Too much time around, you start to kick my ass

Too much time away, I lose my lease

(new york love me) so good, so good

(new york love me) keep my head up

(ny love me) nyc, I see

(ny why me) am I ny?
