Music & lyrics: hall

Im tired of playing on the team  
It seems I don't get time out anymore  
What a change if we set the pace face to face  
No one even trying to score  
Oh oh I can feel the magic of your touch  
And when you move in close a little bit means so much  
Ooh yeah, youve got to understand baby  
Time out is what Im here for

One on one I wanna play that game tonight  
One on one I know I wanna play that  
One on one I wanna play that game tonight  
One on one so slow

You can't tell me you don't miss me girl  
I think I might know you too well  
Wonder what you'd say if you knew that I was coming  
tonight  
Want to? i want you can't you tell

One on one I wanna play that game tonight  
One on one I know I wanna play that  
One on one I wanna play that game tonight  
One on one so slow  
That's all you need to know now

Cause if it's really right there's nothing else  
One on one I want to play that game tonight...
