Wonder why I'm falling, guess I'm just that kind of man
Looking for an answer to why I'm in this place I'm in
Walking through a door that's closing while another
slams in your face
Neighbors say that you're imposing when you walk in
an open space
Tell me who, tell me why

Only love can make me happy
Only love can make me cry
Only love can sanctify me
If you can doubt it, can you tell me why?

Try to find my tears within me
Try to be a logical man
Tryin' to help the world around me
But I'm so lonely, I don't know if I can

Only love can make me happy
Only love can make me cry
Only love can sanctify me
If you can doubt it, can you tell me why?
