I used to be a rolling stone
You know if the 'cause was right
I'd leave to find the answer on the road
I used to be a heart beating for someone

But the times have changed
The less I say the more my work gets done
'Cause I live and breathe this Philadelphia freedom
From the day that I was born I've waved the flag

Philadelphia freedom took me knee-high to a man
Yeah gave me peace of mind my daddy never had
Oh Philadelphia freedom shine on me, I love you
Shine a light through the eyes of the ones left behind

Shine a light shine a light
Shine a light won't you shine a light
Philadelphia freedom I love you, yes I do
If you choose to you can live your life alone

Some people choose the city
Some others choose the good old family home
I like living easy without family ties
Till the whippoorwill of freedom zapped me
Right between the eyes
