-----  
You know there's something you need  
Right here and now  
To fill the space inside of yourself, oh  
With money love or power

When you want to have the number one first run  
anyone  
You're crazy 'til you own them  
You ought to know better than that  
The more that you buy, the less you get back

(It's a case)  
It's a case of possession obsession  
Ooh, just a case of (possession obsession)  
Ooh, brings a case of (possession)  
And I hear you say (gimme gimme)  
Now gimme gimme gimme yeah yeah (gimme gimme),  
yeah

The compulsion to count the percentage of time  
Spent between two lovers  
Can turn an hour into a crime  
And all the good times suffer

Though you know it's only jealousy  
You can't help but feel

Haunted by your passion  
Don't you know it's a matter of fact  
The more that you take, the less you give back, I can  
say

Just a taste of possession obsession  
Ooh, brings a taste of (possession obsession)  
Ooh, brings a taste of (possession)  
And I hear you say (gimme gimme)  
Now gimme gimme gimme yeah yeah (gimme gimme,  
possession)  
Ooh, gimme gimme, (gimme gimme) gimme gimme  
hee hee, yeah yeah

Ooh, just a case of possession obsession  
Just a case of (possession obsession)  
Ooh, just a case of (possession)  
And I hear you say yay yay yay yay, yeah yeah  
(possession)

Now don't you know it's a matter of fact  
The more that you take (gimme some)  
The less you get back, yeah yeah, uh huh
