I see you, you see me  
Watch you blowing the lines when you're making a  
scene  
Oh girl, you've got to know what my head overlooks  
The senses will show to my heart  
When it's watching for lies and you can't escape my

Private eyes, they're watching you  
They see your every move  
Private eyes, they're watching you  
Private eyes, they're watching you  
Watching you, watching you, watching you

You play with words, you play with love  
You can twist it around, baby, that ain't enough  
'Cause girl, I'm gonna know  
If you're letting me in or letting me go, don't lie  
When you're hurting inside 'cause you can't escape my

Private eyes, they're watching you  
They see your every move  
Private eyes, they're watching you  
Private eyes, they're watching you  
Watching you, watching you, watching you

Ooh, why you try to put up a front for me?  
I'm a spy but I'm on your side, you see  
Slip on into any disguise  
I'll still know you look into my

Private eyes, they're watching you  
They see your every move, oh babe  
Private eyes, they're watching you  
Private eyes, they're watching you

Private eyes, they're watching you, yeah  
They see your every move, they see you  
Private eyes, they're watching you, oh  
Private eyes, they're watching you

Private eyes, they're watching you, yeah  
They see your every move, they see you

Private eyes, they're watching you
