I've been trying so hard to close my eyes

Dawn is rising under those cloudy skies

Days in darkness

Seemed like they'd never end

But now the rules are changing, girl

We can begin again

And we'll be right as rain

Who's been fooling you

They've been cruel to me

The kind of love we share

Is hard for those people to see

Stormy weather

Still the chill remains

What they thought was lost forever

Has been found again

And we'll be right as rain

All those violent people

Wind up tearing our peace apart

Do their best to destroy our future

Before it has a chance to start

Never had a chance to start

The kind of love we share
It's so hard for some to see
I know it was hard for me
It ain't lost forever
It's been found again
In the rain
And it feels so good to me
