Say it
Say it isn't so
Say it
Say it isn't so

Say it isn't so painful to tell me that you're dissatisfied
Last time I asked you I really got a lame excuse
I know that you lied
Now wicked things can happen you see 'em goin' down
in war
But when you play in a quiet way that bites it even more

Say it

Tell me what you want yeah I'll do it baby I promise
right now

Say it

Who propped you up when you were stopped low
motivation had you on the
Ground
I know your first reaction you slide away hide away
goodbye
But if there's a doubt maybe I can give out a thousand
reasons why

You have to say it isn't so
It isn't so. I say it isn't so it isn't so
I say it isn't so it isn't so. I say it isn't so it isn't so
Say it

We like to be the strangers at the party, two rebels in a
shell
Say it
You like to move with the best of them you know we
move so well
Don't need someone to lean on. I know that there's an
open door
But if I'm faced with being replaced I want you even
more so baby say it
Isn't so

It isn't so. I say it isn't so it isn't so
I say it isn't so it isn't so I say it isn't so it isn't so
Say it
Say it isn't so
Say it
Say it isn't so

Why you gonna go do you hafta say you wanna go ooh
ooh baby say it
Isn't

Say it isn't Say say say it isn't say it isn't so so say it isn't
Why do you have to say it isn't. say it isn't so say it
isn't so so
Say it isn't

I know it's so hard for you say it isn't so hard say it isn't
Don't say baby. so say it isn't There must be some other
way. Don't
Have to

Say it isn't Some other way. so say it isn't ah You don't
have to
Say. say it isn't
Oh don't you say so say it isn't Oh you know I want to
make you
