Soldering it's what the young girl wants  
Soldering  
Soldering it's what the young girl needs  
Soldering

She says, she don't want the young boy  
The young boy drink too much white rum  
She says, she don't want the soul man  
'Cause soul man fall asleep in bed  
She says, she don't want the dread lock  
'Cause dread lock smoke too much haile

Soldering it's what the young girl wants  
Soldering  
Soldering it's what the young girl needs  
Soldering, oh yeah

When you check it out the young boy is undecided  
When you check it out the young boy is undecided  
And the dread lock is getting natty groove  
While the old man, he's watching them move  
And the soul boy he start to prove

Soldering it's what the young girl wants  
Soldering  
Soldering it's what the young girl needs  
Soldering, oh yeah

Ohh, young girl want soldering  
Yeah, young girl want soldering  
Ohh, young girl want soldering  
Ohh, young girl want soldering

She says, she don't want the dread lock  
'Cause dread lock smoke too much haile  
She says, she don't want the soul man  
'Cause soul man fall asleep in bed  
She says, she don't want, don't want the young boy  
The young boy drink too much white rum

Soldering it's what the young girl wants  
Soldering

Soldering it's what the young girl needs  
Soldering, oh yeah

Soldering it's what the young girl wants  
Soldering  
Soldering it's what the young girl needs  
Soldering, oh yeah

Soldering it's what the young girl wants  
Soldering  
Soldering it's what the young girl needs  
Soldering, yeah
