Words can never change  
What our hearts have denied  
And all the sweet memories  
Won't bring the love back to life  
And the more that we try  
The more it's gonna make you see  
No words, hope, anything  
Will bring back life to your dream  
All night it took me to learn  
Oh baby, baby how to say  
The love just won't work  
Just for once in my life  
Do I wanna go with what's right  
It's gone we've got to move on  
You know that's the truth - so do I

Sad bouquets we save  
Won't make up one sweet day  
Throw The Roses Away  
Don't need them anymore  
Cause they just make you cry  
If you let it go, let it go  
Let it go baby  
You'll get some peace of mind  
Only lonely for now  
But you'll come back from the pain  
Though I don't know if I'll ever find  
Someone like you again

Sad bouquets we save  
Won't make up one sweet day  
Throw The Roses Away

Words in my mind  
Talk about you to me all the time  
Oh why should just a rose  
Have such a sad hold  
Over our lives

Sad bouquets we save  
Won't make up one sweet day  
Throw The Roses Away

Don't need them anymore  
Cause they just make you cry  
If you let it go, let it go  
Let it go baby  
You'll get some peace of mind  
Only lonely for now  
But you'll come back from the pain  
Though I don't know if I'll ever find
