He heard a voice call his name
Pulling hard and telling him to make some change
He let a lot pass him by
Sacrificed his sacred fire to buy some time

To let it go sounds easy
What used to be a certainty
Is shifting with the sands of time

Sometimes a mind changes
Then another heart's got to fly away
Sometimes a mind changes
Then another heart's got to fly away

She had a dream of family
Two by thirty
Living in love in tenderness

She let a lot pass her by
Sacrificed her sacred fire
To buy some time

Letting go sounds easy
What used to be a certainty
Ain't true

Sometimes a mind changes
Then another heart's got to fly away
Sometimes a mind changes
Then another heart's got to fly away
Sometimes a mind changes

Your mine
Your always sometime
Your mine
Got to make a change
Got to go away sometime
Got to fly sometime
Got to fly sometime

Sometimes a mind changes
Then another heart's got to fly away

Sometimes a mind changes
Got to fly away

Hey mistaken
Come on
Look at the same
Gotta fly
Sometimes
