I was lying there
Lying on the beach
I dreamed you were there
Feel the heat
The sun and the waves
When you touch my hand
We were on a desert island
I had a dream
I was swept away
You and I are on an island
Where I thought the storm would never end
I saw your light on the horizon
And I knew that I was blown away again
No it doesn't matter
Yeah, it doesn't matter
'cause nothing lasts forever
'cause nothing lasts forever
No it doesn't matter
No it doesn't matter
'cause nothing lasts forever
Nothing lasts forever

I was swept away

I was swept away

I was swept away with you

I was swept away

I was swept away

I was swept away with you

The rise and fall is endless

The risk you run of being lost in blue

You caught my drift while I was restless

When the current flows

I'm gonna go with you

No it doesn't matter

Yeah, it doesn't matter

'cause nothing last forever

Nothing last forever

No it doesn't matter

No it doesn't matter

'cause nothing last forever

Nothing last forever

I was swept away

I was swept away

I was swept away with you

I was swept away

I was swept away

I was swept away with you

For a day

Or maybe for a lifetime

Break away

Is he throwing me a lifeline

As I say

That this will be the last time

Swept away

Will it end with you?

I was swept away

Swept away

Swept away

No it won't, no it won't

No it doesn't matter

Nothing last forever
