The way you do the things you do
The way you do the things you do

You got a smile so bright
You know you could have been a candle
I'm holding you so tight
You know you could have been a handle

The way you sweep me off my feet
You know you could have been a broom
The way you smell so sweet
You know you could have been some perfume, yeah

Well, you could have been anything that you wanted to
And I can tell

The way you do the things you do
The way you do the things you do
The way you do the things you do
The way you do the things you do

As cute as you are
You know you could have been a flower
If good looks was a minute
You know that you could have been an hour, yeah

The way you stole my heart
You know you could have been a cuckoo
And baby you're so smart
You know you could have been a schoolbook, yeah

Well, you could have been anything that you wanted to
And I can tell

The way you do the things you do
The way you do the things you do
The way you do the things you do
The way you do the things you do

The way you do the things you do, oh yeah
The way you do the things you do
The way you do the things you do

You make my life so rich

You know you should have been some money
And baby you're so sweet
You know you should have been some honey, yeah

Well, you could have been anything that you wanted to
And I can tell, I can tell
Well, you could have been anything that you wanted to
And I can tell

The way you do the things you do
The way you do the things you do
The way you do the things you do
The way you do the things you do

The way you do the things you do
The way you do the things you do
The way you do the things you do
