If you and I were meant to be
If our life together is a destiny
Time, Only time will tell
Maybe then we'll know

If we can make it through
Disappear into the light like spirits do
Free, Only you and me
If we take it slow

(Time will tell)
If our foolish hearts hang on
(Time will tell)
I wonder how can we stay strong
Will we ever find a pearl inside this shell
Well we ever know the magic of this spell
Time will tell

Holding on what could be in our darkest hour
It's just you and me
Here only edge tonight
Will we have a faded just let go

(Time will tell)
If our foolish hearts hang on
(Time will tell)
I wonder how can we stay strong
Will we ever find a pearl inside this shell
Well we ever know the magic of this spell
Time will tell

Yes it will
Only time

(Time will tell)
Never know what would be
(Time will tell)
You never know what would be, baby
(Time will tell)
When it comes to you and me
(Time will tell)
What will be, will be

There it is hard to tell for fear of the spell
And for the fear of the well
(Time will tell)
Time will tell
There it is hard to tell for fear of the spell
And for the fear of the well
(Time will tell)
Time will
