There comes a time when we need a certain call
When the world must come together as one
There are people dying, oh, and it's time to lend a
hand to life
The greatest gift of all

We can't go on pretending day by day
That someone, somewhere will soon make a change
We're all a part of god's great big family
And the truth, you know love is all we need

We are the world
We are the children
We are the ones who make a brighter day
So let's start givin'

There's a choice we're makin'
We're savin' our own lives
It's true, we'll make a better day
Just you and me

Well, send them you your heart so they know that
someone cares
And their lives will be stronger and free
As God has shown us by turning stone to bread
And so we all must lend a helping hand

We are the world
We are the children
We are the ones who make a brighter day
So let's start givin'

Whoa, there's a choice we're makin'
We're savin' our own lives
It's true, we'll make a better day
Just you and me

When you're down and out
There seems no hope at all
But if you just believe
There's no way we can fall

Well, well, well, let us realize
Oh, that one change can only come
When we stand together as one
Yeah, yeah, yeah, yeah

We are the world
We are the children
We are the ones who make a brighter day
So let's start givin'

There's a choice we're makin'
We're savin' our own lives
It's true, we'll make a better day
Just you and me

We are the world
We are the children
We are the ones who make a brighter day
So let's start givin'

There's a choice we're makin'

We're saving our own lives
It's true, we'll make a better day
Just you and me

We are the world (we are the world)
We are the children (we are the children)
We are the ones who make a brighter day
So let's start givin' (so let's start giving)

There's a choice we're making
We're saving our own lives
It's true, we'll make a better day
Just you and me (all right, let me hear you)

We are the world (we are the world)
We are the children (said we are the children)
We are the ones who make a brighter day
So let's start givin' (let's start givin')

There's a choice we're makin'
We're saving' our own lives
It's true, we'll make a better day
Just you and me, come on now let me hear you

We are the world (we are the world)
We are the children (we are the children)
We are the ones who make a brighter day
So let's start giving (so let's start givin')

There's a choice we're making
We're savin' our own lives
It's true, we'll make a better day
Just you and me, yeah, yeah

We are the world (we are the world)
We are the children (we are the children)
We are the ones who make a brighter day
So let's start giving (so let's start givin')

There's a choice we're makin'
We're savin' our own lives
It's true, we'll make a better day
Just you and me

We are the world (we are the world)
We are the children (we are the children)
We are the ones who make a brighter day
So let's start givin' (so let's start giving)

There's a choice we're makin'
We're savin' our own lives
It's true, we'll make a better day
Just you and me

We are the world (we are the world)
We are the children (we are the children)
We are the ones who make a brighter day
