Some people are made of plastic
You know some people are made of wood
Some people have hearts of stone
Some people are up to no good

But baby, I'm for real
I'm as real as real can get
If what you're looking for is real loving
Then what you see is what you get

What you see is what you get
I said what you see is what you get now
I said what you see is what you get now, baby
I'm real, it's the best thing yet

Some people are made of lies
To bring you down and ashame your name
But baby, I've got good intentions
'Cause breaking hearts just ain't my game

'Cause all I want to do is love you
And sugar, I won't fill you with regret
So if what you're looking for is real lovin'
Then what you see is what you get, say again

I said what you see is what you get
I said now what you see is what you get
I said what you see is what you get now baby
And I'm real, it's the best thing yet

I said what you see id what you get
I said what you see is what you get
Look at me, what you see is what you get now baby
Is real, real, I'm real, it's real

Say what you see is what you get now baby
It's real, real, I'm a real, it's real
Say what you see is what you get now baby
It's real, real, I'm a real, it's real
Say what you see is what you get now baby
