When something is wrong with my baby

Something is wrong with me

And if I know she's worried

Then I would feel that same misery

We've been through so much together

We stand as one and that's what makes it better

When something is wrong with my baby

Something is wrong with me

Just what she means to me, now

Oh you just wouldn't, you just wouldn't understand

People can't say she's no good

But oh she's my woman and I know I'm her man

And if she's got a problem

Oh oh I know, I know I've got to help her solve em

When something is wrong with my baby

Something is wrong with me

Sing it again

When something is wrong with my baby

Something is wrong with me...
