What I want you've got  
And it might be hard to handle  
Like the flame that burns the candle  
The candle feeds the flame

What I've got's full stock  
Of thoughts and dreams that scatter  
You pull them all together  
And how I can't explain

Well, well you  
You make my dreams come true  
Well, well, well you  
You make my dreams come true

On a night when bad dreams  
Become a screamer  
When they're messin' with the dreamer  
I can laugh it in the face

Twist and shout my way out  
And wrap yourself around me  
'Cause I ain't the way you found me  
And I'll never be the same

Well, well you  
You make my dreams come true  
Well, well, well you  
You make my dreams come true  
Listen to this

I'm down on my daydream  
Oh, that sleepwalk should be  
Over by now, I know
