Lyrics: D. Hall, J. Oates, S. Allen

Music: D. Hall

What I want, you've got

But it might be hard to handle

Like the flame that burns the candle

The candle feeds the flame yeah yeah

What I got -- full stock of thoughts and dreams that
scatter

And you pull them all together

And how I can't explain oh yeah

Well well you (ooh ooh ooh ooh) you make my dreams
come true (you you) you

(you you)

Well well well you (ooh ooh ooh ooh) oh yeah you make
my dreams come true

(ooh ooh ooh ooh) hell yeah

On a night when bad dreams become a screamer

When they're messin' with a dreamer

I can laugh it in the face

Twist and shout my way out

And wrap yourself around me

'Cause I ain't the way you found me

And I'll never be the same oh yeah

Well 'cause You (ooh ooh ooh ooh) hmmm hmm you
make my dreams come true (you

you you you) oh yeah

Well well well you (ooh ooh ooh ooh) ooh you make my
dreams come true (you

you you you) oh yeah

Listen to this

I'm down on my daydream

All that sleepwalk should be over by now

I know

Well you hell yeah you make my dreams come true

(you you you you) oh yeah

(you you)

I've been waiting for waiting for you girl (ooh ooh ooh
ooh)

Oh yeah you make my dreams come true (you you you
you)

Me you me and you

I've been waiting for waiting for you girl (ooh ooh ooh
ooh) all my life
You make my dreams come true (you you) whoa (you
you)
Whoa whoa I've been waiting for waiting for waiting for
waiting for waiting
for waiting for waiting for
(You make my dreams) ooh ooh ooh ooh
I've been waiting for you girl (you you you you)
(You make my dream you you you you)
