(Chorus:)

She walks through the corn leadin' down to the river
Her hair shone like gold in the hot mornin' sun
She took all the love that a poor boy could give her
And left me to die like a fox on the run
Like a fox, like a fox, like a fox on the run

Now everybody knows the reason for my fall
A woman tempted me down in paradise hall
This woman tempted me and she took me for a ride
Like a lonely fox, boys, i need a place to hide
(Chorus)

Oh, we'll drink a glass of wine, boys, to purify our soul
We'll talk about the world and the friends we used to
know
I see a string of girls who have put me on before
The game is nearly over and the hounds are at the
door

(Chorus)
