In some of my songs I have casually mentioned
The fact that I like to drink beer
This little song is more to the point
Roll out the barrel and lend me your ears

I like beer, it makes me a jolly good fellow
I like beer, it helps me unwind and sometimes it makes
me feel mellow
(Makes him feel mellow)

Whiskey's too rough, champagne costs too much
Vodka puts my mouth in gear
This little refrain should help me explain as a matter of
fact I like beer
(He likes beer)

My wife often frowns when we're out on the town
And I'm wearing a suit and a tie
She's sipping vermouth and she thinks I'm uncouth
When I yell as the waiter goes by

I like beer, it makes me a jolly good fellow
I like beer, it helps me unwind and sometimes it makes
me feel mellow
(Makes him feel mellow)

Whiskey's too rough, champagne costs too much
Vodka puts my mouth in gear
This little refrain should help me explain as a matter of
fact I like beer
(He likes beer)

Last night, I dreamed that I passed from the scene
And I went to a place so sublime
Aw, the water was clear and tasted like beer
Then they turned it all into wine

I like beer, it makes me a jolly good fellow
I like beer, it helps me unwind and sometimes it makes
me feel mellow
(Makes him feel mellow)

Whiskey's too rough, champagne costs too much
And vodka puts my mouth in gear
Aw, this little refrain should help me explain as a
matter of fact I love beer
(Yes, he likes beer)
