I was working in the lab late one night  
When my eyes beheld an eerie sight  
For my monster from his slab began to rise  
And suddenly to my surprise

CHORUS - (change pronouns (he, they, she) as needed)

He did the mash  
He did the monster mash  
The monster mash  
It was a graveyard smash  
He did the mash  
It caught on in a flash  
He did the mash  
He did the monster mash

From my laboratory in the castle east  
To the master bedroom where the vampires feast  
The ghouls all came from their humble abodes  
To get a jolt from my electrodes

REPEAT CHORUS HERE

The zombies were having fun  
The party had just begun  
The guests included Wolf Man  
Dracula and his son

The scene was rockin', all were digging the sounds  
Igor on chains, backed by his baying hounds  
The coffin-bangers were about to arrive  
With their vocal group, "The Crypt-Kicker Five"

REPEAT CHORUS

Out from his coffin, Drac's voice did ring  
Seems he was troubled by just one thing  
He opened the lid and shook his fist  
And said, "Whatever happened to my Transylvania  
twist?"

REPEAT CHORUS

Now everything's cool, Drac's a part of the band  
And my monster mash is the hit of the land  
For you, the living, this mash was meant too  
When you get to my door, tell them Boris sent you

REPEAT CHORUS
