

Hallows Eve

"Feel"

And so you lay me down,
Sleep until the dawn
Beneath the evening
Now I know I'll be alone
Its feels so warm
No-one can touch us,
No-one understands
I want to be with you
Tonight
I always find you make me feel so warm inside
You make me feel so warm inside
Im warm inside
Im yours tonight
And like the rain outside
Against the window pane
I know that they can't reach me
Cause Im sheltered to the room with you again
I like to be near you
When it's raining down outside
I want to be with you tonight
I always find you make me feel so warm inside
You make me feel so warm inside
Im warm inside
Im yours tonight
Im yours tonight
Im yours tonight
Im yours tonight
Now Im alright
