Why are you so cruel  
When you pick up the phone  
When i come to your home  
What did i do wrong?

Do you remember back then  
When we were good friends  
But now you pretend  
Just to be nice

Now i know who you are  
You're just a big clown  
With a big fake smile  
And a big fake laugh

I just wanted to be your friend  
But you wanted a kiss  
All the fun and laughter we had  
I will miss

Don't you go around town  
Just putting me down  
Telling all yor friends  
That i'm a fool

'cause i don't need your friends  
And i don't need your jokes  
I never wanted to be  
More than your friend

But you think you're so cool  
You can't handle the truth  
Your motives mislead  
Yet you call me a tease  
Why are you so mean?  
You never call me back  
You're giving me attitude  
How'd you get so rude?  
Can't we just get along?  
I didn't do you wrong  
Get over yourself

And let's be friends

'cause i don't want to go on  
Feeling this way  
I wanna say hi  
Without you walking away

But if you want to stay mad  
You just go right ahead  
One day you'll grow up  
And you'll be a man
