Hey boys hey girls
Hey anybody who will listen
In case you haven't noticed
It's just me against the world today
I fell out the wrong side of the bed and landed in the
worst mood
That stupid alarm clock screaming at me from across
the room.

I'm tryin' to be nice,
I'm tryin' to be reasonable
But it's oh so hard when I don't wanna be
You're looking for that nice girl from the day before
Don't bother she don't live here anymore

'Cos it's me against the world
[Oh what a stupid day]
Yeah it's me against the world
[So stay out of my way]
And in case you haven't noticed,
And in case you haven't heard,
It's just me against the world
And the world is winning.

You could have let me stay in bed
I've got this pounding in my head
And nothing's Ok,
Won't you stay out of my face today
I'm slamming doors I'm slamming phones and watch
out for-

I'm tryin' to be nice
I'm tryin' to be reasonable
But it's oh so hard when I don't wanna be
You're looking for that nice girl from the day before
Don't bother she don't live here anymore

'Cos it's me against the world
[Oh what a stupid day]
Yeah it's me against the world
[So stay out of my way]

And in case you haven't noticed,
And in case you haven't heard,
It's just me against the world
And the world is winning.

I'm gonna be impossible
I've gotta tell you I'm seein' red
I'm gonna be impossible
I've gotta tell you I'm seein' red
I'm gonna be impossible
I've gotta tell you I'm seein' red
I'm gonna make you believe what I said
I'm gonna make you...

'Cos it's me against the world
[Oh what a stupid day]
Yeah it's me against the world
[So stay out of my way]
And in case you haven't noticed,
And in case you haven't heard,

It's just me against the world
[Oh what a stupid day]
Yeah it's me against the world
[So stay out of my way]
And in case you haven't noticed,
And in case you haven't heard,
It's me against the world

And the world is winning
