Hey boys, Hey girls, Hey anybody who will listen to me
In case you haven't noticed it's just me against the
world today
I fell out of the wrong side of the bed and landed in the
worst mood
That stupid alarm clock screaming at me from across
the room

I'm trying to be nice I'm trying to be reasonable but it's
oh so hard when I don't wanna be
If your looking for that nice girl from the day before,
don't bother she don't live here anymore
Cause it's me against the world (oh what a stupid day)
Yea it's me against the world (just stay out of my way)
And in case you haven't noticed and in case you
haven't heard
It's just me against the world
And the world is winning

You should have let me stay in bed I've got this
pounding in my head
No nothings ok
Wont you stay out of my face today
I'm slamming doors I'm slamming phones down
Watch out for this temper tantrum
Stay outta my way cause if you don't you will be scared
away

I'm trying to be nice I'm trying to be reasonable but it's
oh so hard when I don't wanna be
If your looking for that nice girl from the day before
Don't bother she don't live here anymore
Cause it's me against the world (oh what a stupid day)
Yeah it's me against the world (just stay out of my way)
And in case you haven't noticed and in case you
haven't heard
It's just me against the world
And the world is winning

I'm gonna be impossible
I've gotta tell you I'm seeing red [x3]

I'm gonna make you believe what I said
I'm gonna make you...

Cause it's me against the world (oh what a stupid day)
Yeah it's me against the world (just stay out of my way)
And in case you haven't noticed
And in case you haven't heard
It's just me against the world [x2]
And the world is winning
